

KONSTANTIN BORIMECHKOV

Senior Software Engineer

+359884679956 @ konstantin.borimechkov14@gmail.com https://www.linkedin.com/in/konstantinmb/ Sofia, Bulgaria

EXPERIENCE

Founding Engineer

Mandel AI | YCombinator

02/2025 - 05/2025 Sofia, Bulgaria

- Helped the business acquire its first 3-4 B2B clients by hitting tough deadlines with rapid code and feature iteration
- Optimized AI extraction pipelines to fetch and persist data with 200% improvement in accuracy and reliability
- Build production-ready supply chain AI agent with logging & observability, memory, human in the loop and tooling

Senior Software Engineer

Tide Platform

07/2024 - 02/2025 Sofia, Bulgaria

- Designed and build scalable APIs for PnL Reports & Cash Balance Insights, used by 500k+ members of the app
- Enabled API Documentation across all teams and 400+ micro-services
- Ensured alignment of team solutions with domain architecture, enhancing project consistency and efficiency

Software Engineer

Tide Platform

01/2023 - 06/2024 Sofia, Bulgaria

- Worked across 3 different teams in the span of 6 months to help leadership hit annual targets for the domain
- Scaled the invoicing product to (now 100k+) users in India & Germany

Junior Software Engineer

Tide Platform

04/2022 - 12/2022 Sofia, Bulgaria

- Got an 'Exampler' award in recognition of my abilities within 7 months of joining
- Saved all 200+ backend engineers tens of hours of testing through an automated script

Intern Software Engineer

Axway

09/2021 - 04/2022 Sofia, Bulgaria

- Worked on improving and maintaining the 'SecureTransport' core product at the company, used by tens of Fortune 500 companies.

EDUCATION

Bachelor In Computer Science

Technincal University of Sofia

2020 - 2024 Sofia, Bulgaria

Business & Finance

High School of Finance and Business

2014 - 2020 Sofia, Bulgaria

KEY ACHIEVEMENTS

2X Top Performer @ Tide
